EUGER BONETE
WEB DEVELOPER

PROFILE

Fullstack Developer with expertise in React, TypeScript, Next.js, and Tailwind CSS. Passionate about delivering high-quality web applications and contributing to team success in dynamic environments. Seeking to leverage my skills to build innovative solutions in a forward-thinking tech company

EXPERIENCE

Frontend Engineer at Rocketshyft
https://rocketshyft.com/
Present
Developed high-performance, type-safe React apps using TypeScript, Vite, and Material-UI. Created fast, accessible UIs and optimized development workflows. Collaborated effectively with other devs using Git and Github

Web Developer
2022
Collaborating effectively with designers, I meticulously converted Figma designs into user-friendly pages. Additionally, I honed my problem-solving skills by customizing Bubble.io components and workflows to precisely match design specifications, ensuring a visually-appealing and intuitive final product.

Frontend Engineer Intern
https://www.digipay.ph/
2021
Collaborating effectively with designers, I meticulously converted Figma designs into user-friendly pages. Additionally, I honed my problem-solving skills by customizing Bubble.io components and workflows to precisely match design specifications, ensuring a visually-appealing and intuitive final product.

SKILLS & ABILITIES

Front-end Development
- HTML
- CSS
- Tailwindcss
- Javascript
- Typescript
- Reactjs
- Nextjs
- React Query

Back-end Development
- MongoDB
- Prisma
- Firebase
- Nodejs

Version Control
- Git
- Github

CERTIFICATIONS

Internship - 2022
https://azkriven.vercel.app/cert.png
Completed an Internship certification, showcasing practical experience and skills gained in a professional work environment.

Reactjs Certificate -2023
https://www.testdome.com/certificates/da2507e9432941068913931a9ce1dc47
Secured a React certification indicating proficiency in building react apps and interactive user interfaces.

Typescript Certificate - 2023
https://www.testdome.com/certificates/b42958b8c828498782f72c304e0f7d24
Obtained TypeScript certification from Test Dome, validating expertise in statically-typed JavaScript development.

Javascript Certificate - 2023
https://www.testdome.com/certificates/530156ebb39f43c5a407bb157b414413
Achieved a Javascript certification showcasing advanced skills in scripting and web interactivity from Test Dome

PROJECTS

Nisuboard
https://azkriven.vercel.app/projects/nisuboard
Boarding house mapping application that helps users find and explore available boarding houses in their area. Built with Next.js, Prisma, and TypeScript, it features user authentication via Clerk, and a responsive UI using Radix UI components and Tailwind CSS.

Portfolio Website
https://azkriven.vercel.app/
Portfolio built with Nextjs, Tailwind CSS, and Framer Motion, featuring an AI-powered chatbot integrated with Vercel AI and Gemini AI. Engage with interactive content and explore projects through an intuitive, AI-driven experience.
